Registration in the System and Account Opening

The Client who wants to start using Services has to register in the System. In the course of Registration in the System Client enters his email address and/or telephone number and creates a password. This information will be used by the Client in order to log in to his Account. The Company may introduce additional methods for logging in (e.g. two-factor authentication codes).

The Client is solely responsible for the login details associated with the Account, including but not limited to mobile number, password, email address, two-factor authentication codes. If the login details are compromised and/or the Account has been accessed by an unauthorized third party, the Client shall inform the Company immediately to request a suspension of the Account. After receiving the request, the Company should suspend the Account within a reasonable period of time. However, the Company shall not be liable for any and all consequences before the suspension of the Account.

Upon registration in the System the Client will receive a confirmation to the email address, provided during the registration.

In order to comply with the Company's Anti-Money Laundering Policy the Client provides Company with acceptable identification documents for KYC/KYB procedure in accordance with the Company's policies.

The Company reserves the right to request additional information and/or documents from the Client in order to verify the Client's identity. If the Client refuses to provide the Company with requested information and/or documents, the Company retains its right to refuse registration of the Client in the System and opening an Account for him. For more information about the Company's Customer Due Diligence procedure you can view Anti-Money Laundering Policy.

If the Client acts and/or holds the Account for the benefit of a third party, the Client must inform the Company without undue delay on this and submit all documents and information which might be necessary to identify the person on whose benefit the Account is opened and held (Ultimate Beneficial Owner or UBO) and to prove powers of the UBO's representative. The Company reserves the right to terminate Terms of Service and close any and all Accounts if the Company discovers that the UBO was not disclosed to the Company or in cases when it is impossible to identify the UBO and/or its source of wealth.

The Client may have only one Account. The Company reserves the right to close any and all additional Accounts opened by the Client.

Provision of the Services

The Company undertakes to provide the Client with the Services that include:

- Virtual Currency Asset Management Services
- Virtual Currency Initial Coin Offering Investment Management Services

In the course of the provision of the Services the Company will use its experience and knowledge in order to manage Client's Virtual Currency funds and achieve gains on the deposited funds.

The provision of Virtual Currency Asset Management Services may include, but is not limited to, spot trading, margins and futures trading, etc. The provision of Virtual Currency Initial Coin Offering Investment Management Services may include, but is not limited to, purchasing Virtual Currencies of start-ups during seed, private and/or public investment stages and before the Virtual Currencies are listed on virtual currency exchanges.

By depositing Virtual Currency funds to the Company the Client herewith awards the order to the Company for the independent management of the deposited virtual currency funds in the Client's name and for his account. For the purposes of the present Terms of Service, the Company may manage the Client's Virtual Currency funds at the Company's own discretion.

The Client grants to the Company all mandates and signatory rights in respect of accounts and deposits etc. as are necessary for the execution of this order.

The Client may require from the Company information about Client's balance, list of transactions made by the company with the Client's Virtual Currency funds, terms and conditions of the made investments.

The Client acknowledges and agrees that the Company does not guarantee any gains, interest or other benefits on the deposited Virtual Currency.

Any interest rates do not apply to the deposited Virtual Currency.

Deposits and withdrawals

Company will provide the Client with a Virtual Currency Wallet address, and the Client should deposit Virtual Currency in the amounts agreed with the Company, but not less than the Minimum deposit amount.

Minimum deposit amount should be equivalent to 100 000 USD. The Company accepts deposits in the following Virtual Currencies: Tether (USDT), USD Coin (USDC), Ethereum (ETH), Bitcoin (BTC).

In terms of provision of Virtual Currency Asset Management Services, the Client may withdraw funds not earlier than 12 months after depositing them into the Account (Minimum Deposit Term).

In terms of provision of Virtual Currency Initial Coin Offering Investment Management Services, Virtual Currency funds deposited by the Client may be subject to Lock-Up Periods. The Lock-Up Periods may vary depending on the Terms of Initial Coin Offering. The Client agrees and understands that he will be able to withdraw funds only after Lock-Up Periods terminate in accordance with the Terms of Initial Coin Offering. If the Lock-Up Period is less than 12 months, then the Client will not be able to withdraw his funds earlier than 12 months after depositing them into the Account.

The Company may impose limits on deposit amounts depending on the Client's risk type in accordance with the Company's policies. These limits may be revised by the Company from time to time.

If the Client wishes to withdraw Virtual Currency funds from the Account, given that the requirements of the Minimum Deposit Term and Lock-Up Periods are met, the Client should contact the Company, provide the Company with a Virtual Currency Wallet address and order a Company to withdraw the Virtual Currency funds to the provided Virtual Currency Wallet address. The order for withdrawal should be submitted to the Company not later than 30 days in advance before the withdrawal. After receiving the order for withdrawal, the Company, given that the requirements of the Minimum Deposit Term and Lock-Up Periods are met, should withdraw Client's Virtual Currency funds to the provided Virtual Currency Wallet address not later than 30 days from the moment it received the order for withdrawal.

The Client agrees that it is Client's sole responsibility to provide a correct Virtual Currency Wallet address for withdrawal. The Client acknowledges that if he/she provides incorrect Virtual Currency Wallet address for withdrawal, his Virtual Currency funds will be lost, and that the Company will not bear any liability for the lost funds.

Fees

The Company charges the following fees for the Services:

Management Fee that constitutes 2% from all Client's Virtual Currency funds managed by the Company. Management fee is charged at the moment when the Client makes deposit to the Company and, after that, annually.

Performance Fee that constitutes % from the gained positive returns on the Client's Virtual Currency funds. Performance Fee is charged annually in accordance with High Water Mark principle. High Water Mark principle ensures that if the Client's Virtual Currency funds managed by the Company falls from one investment period (12 months) to the next, the Client will not pay Performance Fee until the Client's Virtual Currency funds managed by the Company value exceeds its previous greatest point. Performance Fee is charged after each investment period (12 months). The amount of performance fee is established by an individual agreement, which is an integral part of these Terms and Conditions.

Warranties and Representations

The Client warrants that the Client:

- has not previously been charged with money laundering, financing and supporting terrorism, or other crimes;
- is not and has never been subject to any local or international financial sanctions;
- is not in a state of bankruptcy, sanitation, debt collection or other claims from third parties and/or government authorities;
- does not reside in countries, subject to financial sanctions, according to Financial Action Task Force's recommendations;
- is at least 18 years old;
- has not previously been suspended or removed from using the Services
- has full power and authority to enter into these Terms of Service and doing so will not violate any other agreement to which Client is a party;
- will not use Company Services if any applicable laws in Client's country prohibit from doing so in accordance with these Terms of Service;
- obtained all deposited Virtual Currency funds from legitimate sources and these funds do not originate from illegal activities;
- will not use services provided by the Company for any illegal purposes, including performing any actions and operations in order to legalize money received for a criminal or illegal activity.

The Client confirms that the information and documents provided by the Client in the course of Registration in the System and that later are correct and truthful, and that the Client will only provide the Company with correct and truthful information and documents in future communications. The Client shall bear any and all losses that occur due to submission of invalid information or documents.

Risks, Liability and Indemnification

The Client acknowledges and tolerates the risk of losing any amount the Client deposits to the Account; and that the Company does not bear any liability for any direct or indirect losses caused by the Company in the course of provision of the Services. For more information about risks you can view Risk Acknowledgement and Disclosure Policy.

In no event will the Company be liable for any special, indirect, punitive, incidental, or consequential damages, lost profits, or damages resulting from lost data or business

interruption resulting from, or in connection with, the use or inability to use the Service and any content, whether based on warranty, contract, tort (including negligence), or any other legal theory, even if the Company has been advised of the possibility of such damages.

The Client agrees to indemnify the Company, its affiliates and service providers, and each of its, or their, respective officers, directors, agents, employees and representatives, in respect of any costs (including attorneys' fees and any fines, fees or penalties imposed by any regulatory authority) that have been reasonably incurred in connection with any claims, demands or damages arising out of or related to the Client's breach and/or the Company's enforcement of these Terms of Service or Client's violation of any law, rule or regulation, or the rights of any third party.

The Party is relieved from the liability for failure to perform the Terms of Service if it proves that the Terms of Service has not been executed due to circumstances out of the Party's control (Force Majeure) which are proven in accordance with the procedure established by the Applicable Law.

The Client shall notify Company about Force Majeure circumstances which prevent execution of the Terms of Service with a written notice within 10 (ten) calendar days after the day of occurrence of such circumstances. Company shall notify the Client about Force Majeure circumstances via email or via the System in reasonable time.

The Client acknowledges and agrees that the Company shall not be held liable and the Client shall be solely accountable for loss of income, loss of transaction profits, contractual losses, disruption of business, currency-related losses, loss or damage of information or data, loss of opportunities, loss from the price or value of Virtual Currencies, costs of purchasing products and services outside the scope of the Services; any failures in software, hardware, internet connection and any distortion and delays arising therefrom; any indirect, special or incidental loss or damages arising from any infringement (including negligence) and/or breach of contract or any other cause, regardless of whether or not such loss or damage may reasonably be foreseen by the Company and regardless of whether or not we are notified in advance of the possibility of such loss or damages; any malicious programs such as viruses or trojans that you may have from your use of the Services, loss arising from any information or technology in the System in relation to its validity, accuracy, correctness, reliability, quality, stability, integrity, timeliness, applicability (including for a specific purpose), freedom from error or omission and consistency; any type of damages to the Client.

Confidentiality

The Client undertakes to protect Confidential Information, which has become known to the Client while executing the present Terms of Service. Client undertakes not to transfer and/or disclose Confidential information of the Company to third parties without a written consent of the Company.

For the purposes of this section, Confidential information means any information related to the fact or substance of discussions or negotiations between the parties that the Company has identified as confidential at the time of disclosure. Confidential Information does not

include information which the the Client demonstrates:(a) that at the time of disclosure was, or becomes, part of the public domain (through a source other than the Company); (b) that is lawfully obtained from a third party that was not under, and did not impose, an obligation of confidentiality with respect to such information; (c) that is lawfully and independently developed or obtained by, or on behalf of, the Client (as evidenced by written records) without use of, or reference to, Confidential Information; or (d) that was known by the Client prior to disclosure by the Company (as evidenced by written records).

Third Party Service Providers

The Company may contract third parties in order to provide the Client with Services in full (Third Party Service Providers). Services provided by third parties may include, but are not limited to, IT, legal, management services, etc.

The Client agrees that the Company is not liable for any errors and/or omissions made by Third Party Service Providers.

Intellectual Property and License

The Company grants the Client a limited, nonexclusive, non transferable license, subject to the Terms of Service, to access and use the Services and the System, solely for approved purposes as permitted by the Company. the Client agrees not to use the granted license in any other way than for the purpose of these Terms of Service.

The Client agrees that the Client's rights on the Company's Intellectual Property are restricted by the granted license and no right or interest in the Services is transferred to the Client other than the limited licenses granted herein.

Communication

If the Client has any question or complaint in terms of the Services provided by the Company, the Client should communicate with the Company via the following email:info@onemore.fund.

The Company may contact the Client via contact details provided by the Client during the Registration in the System.

Applicable Law and Dispute Resolution

Applicable Law:

In relation to the Virtual Currency Asset Management Services provided by Onemore LLC, the Terms of Service are governed by the laws of Saint Vincent and the Grenadines with an exclusive jurisdiction of Saint Vincent and the Grenadines courts.

In relation to the Virtual Currency Initial Coin Offering Investment Management Services provided by BES LLC, the Terms of Service are governed by the laws of Saint Vincent and the Grenadines with an exclusive jurisdiction of Saint Vincent and the Grenadines courts.

Company aims to settle all disputes with the Client amicably, promptly and on terms acceptable to Parties; thus, in case of a dispute, the Client is encouraged to, first of all, address the Company directly. Disputes should be solved by negotiation.

The Client may submit any complaint regarding services provided by the Company by sending a notification via email.

The complaint shall specify circumstances and documents on the bases of which the complaint has been submitted. If the Client bases his/her complaint on documents which Company does not possess, the Client shall also submit such documents or their copies when filing the complaint.

The Company shall examine Client's complaint and notify the Client about the decision not later than within 30 Business days after receiving it. If the Company cannot provide the answer to the complaint within the specified time frame, the Company shall inform the Client about the reasons and indicate when the Client will receive the answer;

After receiving a final decision on the Client's complaint, if the Client does not agree with such decision, the Client may use other remedies for protecting its rights in accordance with the Applicable law.

Term and Termination

These Terms of Service should stay in force until terminated by the Company or the Client.

The Client may terminate the Terms of Service by giving a 30 Business days notice to the company, given the requirements of Minimum Deposit Period and Lock-Up Period are met.

If the Client breaches the requirements of Minimum Deposit Period and Lock-Up Period and terminates the Agreement, the Client must pay the Company penalties that constitutes 2.5% from all Clients Virtual Currency funds managed by the Company, but that do not exceed the equivalent of 25000 (Twenty five thousand) USD. Penalties are used to cover all direct and indirect damages, costs and fees.

The Company may terminate the Terms of Service at any time by giving a notice to the Client. In particular, the Company may terminate the Agreement if the value of the Client's Virtual Currency funds deposit reaches a drawdown level (decrease in value), set by the Company. You can learn more about the set drawdown levels in the Company's Drawdown Policy.

After the termination and in a reasonable time period, the Company should transfer the remaining Virtual Currency funds from the Client's Account to a Virtual Currency Wallet address provided by the Client.

The Company may freeze and/or withhold the Client's funds after the termination if any of these conditions is met:

- the Company has reasonable doubt that the funds initially originate from illegal activity;

- it is required by the Applicable law, the Company's Anti-Money Laundering Policy or any official authority;
- the Client has unpaid liabilities to the Company;
- the transfer of the remaining Virtual Currency funds to a Virtual Currency Wallet address provided by the Client contradicts other provisions of the present Terms of Service (including provisions that refer to the Minimum Deposit Term and Lock-Up Periods).

Miscellaneous

It is the Client's responsibility to determine which, if any, taxes apply to any gains and/or payments received by you in the scope of using the Services and to report and remit the correct tax to the appropriate tax authority. The Company is not obliged to determine whether any taxes apply to the Client and is not responsible to collect, report or remit any taxes for the Client.

Any waiver of a right under these Terms of Service shall only be effective if declared in writing. The delay in exercising a right or the non-exercise of a right shall not be deemed a waiver and shall not prevent a party from exercising that right in the future.

If any part of these Terms of Service found by a court to be invalid, unlawful or unenforceable then such part shall be severed from the remainder of the Terms of Service which shall continue to be valid and enforceable to the fullest extent permitted by law.

All provisions of these Terms of Service which by their nature extend beyond the expiration or termination of these Terms of Service will continue to be binding and operate after the termination or expiration of these Terms of Service.

The Client agrees that any claims that were not solved during the negotiation process and that the Client wishes to bring to court, should be brought on an individual basis only and not as a plaintiff or class member in a purported class or representative action. The Client waives his right to bring any claim as a class action or to consolidate individual claims against the Company.

These Terms of Service including all Schedules and other documents referred to herein represent the entire agreement of the Parties in relation to its subject matter. The Client and the Company acknowledge that they have entered into the Terms of Service in reliance only on the representations, warranties, promises and terms contained in these Terms of Service and, save as expressly set out in the Terms of Service, neither party shall have any liability in respect of any other representation, warranty or promise made prior to the date of the Terms of Service unless it was made fraudulently.
